Application for Sibling Discount and Payment Arrangements

Families must complete each year an "Application for Sibling Discount and Payment Arrangements" form. This form gives us details of who is responsible for school fees, the address they are to be sent to and how the fees will be paid - three instalments, monthly or fortnightly. These forms will be sent home toward the end of each year for families to complete or are on our website by clicking [here](#).

The concession on Tuition Fees for 2nd (20%) and 3rd (50%) children is applicable when all children attend schools within the Diocesan system (this includes St Edwards). Fourth and subsequent children are free of tuition fees.

The Application for Sibling Discount and Payment Arrangements Form, referred to above, when lodged with the School Office will ensure the discount is given. A discount will not be given without this form being completed and will see the parent responsible for the full amount. The building levy is not paid here if you have an older child attending St Joseph's but this does apply if you have a child at St Edwards.

The School Education Fee is a combined fee covering: Cleaning and Maintenance, Technology and Library costs. Also covered by this are photocopying, books, craft materials, resources for KLAs, excursions (not overnight excursions), incursions eg. Life Education, Athletics and Swimming Carnivals, etc. This cost also includes stationery items for K-2 students.
